Andrew Tesoriero

Mid-Atlantic Business Unit
Suwanee, GA | Since January 2014

Andrew joined METUS in January 2014. Andrew graduated from The Catholic University of America with a degree in Civil Engineering but has spent most of his career working in the Mechanical engineering field.

Family

Andrew was born in New York; however, his family moved to Maryland in 1968 and have been in Maryland since then. He has been married to his wife Lauren for 18 years and lives in Maryland with his 6-year-old granddaughter Alli and his two dogs.

Hobby

Andrew enjoys camping with his family as well as hunting and fishing. He can also be found, on occasion, working in his woodshop on the latest project.

Career

Before that, he spent 15 years working for The Morin Company, who were the Baltimore Aircoil cooling tower representative for Maryland, DC and Central Pennsylvania. My last 5 years at the Morin Company was spent selling equipment and supporting engineers in the Central Pennsylvania market.

MITSUBISHI ELECTRIC
TRANE HVAC US LLC

What is your favorite thing about working at METUS?

My favorite thing about working for Mitsubishi Electric is that I get the chance to work for a manufacturer that is providing the best VRF equipment in the HVAC industry. I get to work with some talented people that are as enthusiastic about the product as I am.
